

## Valued Customer – American Agency

Micki Bierbrauer from American Agency and Jason Erickson, Solbrekk Network Engineer

**American Agency has been providing business and personal insurance across the United States for over 45 years. American Agency has locations in St. Louis Park, Waconia, downtown Minneapolis, Hamel and Las Vegas.**

**Solbrekk has been providing preventative maintenance, remote support, hardware/software installations and upgrades for over ten years. American Agency continues to choose to work with Bill Hafdal, Jason Erickson, and Rick Hesse at Solbrekk for their Professional IT Services because of a quick response time and quality workmanship. Bob Clemants, President of American Agency, Inc. stated “Solbrekk has kept our organization up to speed on the latest technologies and offered creative solutions to maximize resources. Their support has helped us achieve and maintain a high level of efficiency.”**
