Henningson & Snoxell, Ltd. is a group of knowledgeable, dedicated professionals engaged in the general practice of law. Their attorneys have high academic achievements, strong community ties, a commitment to the pursuit of excellence, the ability to communicate effectively, strong personal and professional ethics and genuine concern about their clients.

Patti Ploehn, Accounting Manager and Network Administrator stated, "Henningson & Snoxell began its venture into computer networks with Larry Phelps and Software Tailors as their first customer. Since joining with Solbrekk, we continue to enjoy a great working relationship with Larry, Cyndi, Troy, Jason, and all the "techies!"

Henningson & Snoxell has a mixed environment of Novell and Microsoft servers. Their most recent project was to move to their new location in Maple Grove. Solbrekk moved the servers and network, coordinated the move of phone system and T1, coordinated cable installation and assisted Patti in the project management of the move.
