

## Valued Customer – Ratwik, Roszak & Maloney, P.A.

L to R – Jeff Moriarty, Solbrekk Network Engineer, Robin Paterni, Office Manager, Larry Phelps, Solbrekk Sr. Account Executive

Ratwik, Roszak & Maloney, P.A. provides quality, cost-effective legal solutions to public, private and non-profit organizations throughout the Upper Midwest. Their combined experience in representing public sector clients in all aspects of education and municipal law and in solving public and private employers' labor and employment issues allows them to provide their clients with responsive and innovative legal solutions. They have 22 attorneys on staff.

Larry Phelps, Solbrekk Sr. Account Executive has been providing IT Network Support services to Ratwik, Roszak & Maloney for about 10 years. Robin Paterni, Office Manager stated "Larry has been a godsend. Larry leads our technology planning and budgeting process every year."

Larry stated "They are wonderful to work with. The attorneys really trust and respect Robin. The communication and cooperation during the annual planning and budgeting process is very effective and leads to great results."

Jeff Moriarty, Solbrekk Network Engineer goes on-site every week for recurring scheduled visits. Jeff takes care of Robin's to-do-list and provides proactive services. There are over 30 users on the network. Robin stated "Jeff is wonderful at keeping everything organized and well documented. He is also very good at explaining what he has done and teaching me how to take care of more of our computer needs myself."
